- SEWAGE DISPOSAL PLANT
- WATER TANK
- RADIO OR TV CONTROL TOWER
- LOCKED GATE OR FENCE
- DIRECTIONAL ARROW
- TRIANGULATION STATION WITH NAME
- LOCATION OF SYMBOL

GENERAL HIGHWAY MAP
DUVAL COUNTY
FLORIDA

PREPARED BY THE

JOB NO.	CODE	SCALE	DATE FLOWN
91	72000-1502	1"=2000'	11-2-59
465	PD-465	1"=500'	6-1-66

This map was compiled from U.S. Geological Survey quadrangle maps, General Land Office plats, aerial photography flown in 1959, road inventory surveys March, 1960, and other map data.

This map was prepared on the transverse Mercator projection, East Zone, Florida system of plane coordinates.

In congested rural areas local roads are indicated by a single line only. For details refer to quadrant sheets and insets prepared for this county.

The railroad station symbol as shown on this map does not necessarily indicate the presence of a depot or the facility, it may be only a point designated for the receipt or delivery of freight, such as a platform or siding.

Portions of roads and other secondary symbols are omitted in order to show topography.

City populations are taken from the U. S. Census for 1960.
