
This map was compiled from U.S. Geological Survey quadrangle maps, aerial photography flown in Jan., 1988, General Land Office plats, road inventory surveys Oct. 1991, and other map data.

This map was compiled using interactive computer graphic techniques.

This map was prepared on the transverse Mercator projection East Zone, Florida system of plane coordinates.

The railroad station symbol as shown on this map does not necessarily denote the presence of a depot or his facility. It may be only a point designated for the receipt or delivery of freight, such as a platform or siding.

No attempt has been made to show all drainage canals and ditches.

Due to insufficient space land grants will not be identified by name on this county.

City populations are taken from the U.S. Census for 1990.

In 1990, the population of Duval County was 672,971. There are 777 square miles in the county. Jacksonville City 635,230.

Jacksonville city limits include all of the area in the county with the exception of Atlantic Beach, Baldwin, Jacksonville Beach and Neptune Beach, which are incorporated separately.

Use of this series are to the public domain. The maps are compiled and published using public funds and are copyrighted to prevent photocopy and resale for profit.
