**Definition/Background:** Denotes the limits of honorary/memorial roadway designations. The Florida Legislature implements honorary/memorial roadway designations based on recommendations from a city or county commission, individual state agency, or civic groups. The honorary/memorial designation process is defined in Section 334.071, F.S.

### MEMDESIG | MEMORIAL DESIGNATION NAME

HPMS	MIRE	Who/What uses this Information	Required For	Offset Direction	Offset Distance
N/A	N/A	Systems Implementation Office	All roadways	N/A	N/A

**Cross-Reference/Tolerance:** Verify the RCI milepoint limits and lengths remain consistent with the bill language as roadway limits are updated.

**How to Gather this Data:** Record from the beginning milepoint to the ending milepoint of the designation along each roadway section.

**Special Situations:** Some designations may exist on local roads. Designations may extend across multiple roadway IDs. Multiple overlapping designations may exist on the same roadway ID.
