5. Get signature of the District Specifications Engineer. *(Not required for Mandatory Only Revisions)*
6. Revisions received in the Project Review Office within 15 work days of the letting must be approved by the District Secretary. *(Not required for Mandatory Only Revisions)* Notify Project Review. Withdrawing or moving the project to a later letting after advertisement requires approval by the District Secretary and the Chief Engineer.
7. For Supplemental Specification Packages, fill in the Rev. Date, number of pages and a brief description.
8. Enter the sheet number and:
Describe new pay item number, Rev. Date with old quantity and new quantity, deleted pay item number only, or revised quantities; by entering pay item number with old and new quantities.
9. On bridges indicate "each bridge number" with corrected changes.
10. If a revision will impact the utility plans, adjustments or schedules, provide a copy of the revision memo and affected plan sheets to the District Utilities Engineer.
11. Any change to any pay item, requires replacement of the entire Proposal Summary of Pay Items.
12. Email the Revision approval to Project Review Section (CO-PROJREV) to unlock the summary of pay items.
13. Email Revision Memo to Project Review.
